† \$0.03 per share commission assessed on trade executions in, or allocated to, DVP accounts.

†† Certificate requests requiring extraordinary processing, including certificates for foreign securities and requests to break certificates into multiple denominations, may incur additional charges, which will be passed through to your account.

*** Certain Non-Standard Asset fees may not apply to certain securities, including those whose issuers may pay shareholder services fees to TD Ameritrade.

TD Ameritrade reserves the right to pass-through Regulatory Fees, foreign transaction taxes, and other fees to client accounts, which may be assessed under various U.S. regulations or imposed by foreign governments. Fees may include any of the following: a sales fee on certain sell transactions (assessed at a rate consistent with Section 31 of the Securities and Exchange Act of 1934), the Options Regulatory Fee (applicable to options transactions), and foreign transaction taxes and fees, among other charges.

TD Ameritrade receives remuneration from mutual fund companies, including those participating in its no-load, no-transaction-fee program for recordkeeping, shareholder services, and other administrative and distribution services. The amount of TD Ameritrade's remuneration for these services is based in part on the amount of investments in such funds by TD Ameritrade clients. No-transaction-fee mutual funds and other funds offered through TD Ameritrade have other fees and expenses that apply to a continued investment in the fund and are described in the prospectus.

All prices are shown in U.S. dollars. Fees charged may vary by program, location, or arrangements. Rates, fees, and limits subject to change at any time.

Investment Products: Not FDIC Insured * No Bank Guarantee * May Lose Value
